EXPERIENCE

CODSOFT

Web Development Intern

Online Mode

Aug. 2023 – Sept. 2023

- Designed and developed a responsive landing page using HTML and CSS, showcasing best practices in layout, typography, and color schemes.
- Created a fully functional calculator using HTML and CSS, ensuring clean design and intuitive user interaction.
- Built a personal portfolio website from scratch, incorporating HTML and CSS to display projects, skills, and contact information effectively.

PROJECTS

Music Player | HTML, CSS, JavaScript

[GitHub](#)

- Multi-Track Support: Capable of playing multiple songs with controls for play, pause, next, and previous tracks.
- Dynamic Track Details: Displays current track details including the name, artist, and album art.
- Interactive Controls: Includes interactive play/pause, volume, and seek controls.
- Custom UI Design: Implemented a clean and modern user interface with dynamic track art and background images.

Word Scramble Game | HTML, CSS, JavaScript

[GitHub](#)

- Word Scramble Logic: Randomly scrambles a given set of words for the user to guess the correct word.
- Dynamic Gameplay: Displays the scrambled word and accepts user input to check for the correct answer.
- Score Tracking: Keeps track of the user's score based on correct answers.
- User Feedback: Provides immediate feedback on whether the guessed word is correct or not.
